Conditions

A certain number of children on the waiting list and new applicants who enroll in our summer program will be guaranteed a space for the regular school year. The number of new children guaranteed a space for the school year will be determined by the availability in each of the classrooms for the upcoming school year in the fall.

Your child may be withdrawn and this agreement terminated by written notice to the school. The notice will be effective no less than four (4) weeks from the date it is received by the school. Tuition is refundable after the effective date of withdrawal on a pro-rated basis based upon the number of days in the session. However, the parties to this agreement specifically understand that in consideration for the commitments the school must make in advance, tuition is not refundable for the first month of enrollment or after April 1st in this term. **No reduction in tuition will be made for a student's absence, illness, quarantine due to illness or travel, or late arrival.**

The annual or pro-rated tuition is due at the commencement of the enrollment stated under this agreement. An installment plan may be selected in lieu of an annual payment. The installment payment plan may be subject to approval of credit.

Tuition is based upon a 180 day school year which closely follows the Novato School District schedule. Daycare, at an additional charge, is available for those that need it during the winter and spring recesses.

A statement showing the **tuition** payable plus other charges if incurred, will be emailed on or about the 20th of each month and **is due on the tenth of the following month. Payments received after the due date are subject to a \$20.00 late charge.** The undersigned agrees that failure to pay charges when due will necessitate the suspension of the student from school. **In the event payment is not received by the 15th of the following month the student will be suspended.** Such suspension will not relieve the undersigned from the conditions stated herein. Checks returned for any reason are subject to a \$25.00 service charge.

An annual non-refundable registration fee of \$75.00 is due prior to the start of the school term.

In the event of commencement of suit to enforce payment of this agreement, the undersigned agrees to pay such additional sum as attorney's fees and/or collection fees as the court may judge reasonable. This agreement binds each of the undersigned, if more than one, jointly and severally. It is further understood that no student may be considered for re-enrollment unless previous charges on his/her account have been settled in full.
